Here you will find the preliminary program for June 27 and 28, 2025.
Please note that there may be changes for reasons beyond our control.

New Horizons in Endoscopy

We are pleased to invite you to the 9th edition of EndoSwiss 2025 Live, the international course on diagnostic and therapeutic endoscopy, which will take place on 27-28th of June 2025 at the Careum Auditorium in Zurich, Switzerland.

The event will be held on-site and will also be accessible online for international participants. EndoSwiss 2025 Live will feature live demonstrations from the Hirslanden Clinic in Zurich, alongside lectures and discussions led by leading experts and pioneers in the field. Main topics will be focused on new innovative techniques and technologies in endoscopic diagnosis and treatment of early GI cancer, antireflux treatment, the use of AI systems and new evolving fields of endoscopy.

This year, we are proud to collaborate with the Asian Novel Bio-Imaging and Intervention Group (ANBIIG) to host an European ANBIIG Professional Training Course. This course is designed to improve the quality of diagnostic endoscopy.

Furthermore, the "EndoSwiss Innovation Forum" will present latest developments and achievements in diagnostic and therapeutic endoscopy.

The conference follows the ESGE guidelines and is designed for gastroenterologists, surgeons, physicians, endoscopy nurses, trainees, and students.

To join, register on our website and download the EndoSwiss App for easy access to course materials and updates. All live demonstrations and lectures will be recorded and made available on the EndoSwiss YouTube channel after the event.

Please Join us in Zurich!
We look forward to welcoming you to EndoSwiss 2025 Live!

Friday, June 27, 2025 / 10.00 a.m. - 2.00 p.m.

“ANBIIG” Satellite Symposium10.00 - 10.05 a.m. **Welcome & Session Overview****“ANBIIG” meets Europe” - professional imaging training****Course directors:** Yasushi Sano, Philip WY Chiu, Hon Chi Yip, Jacques Bergman, Ewerton Marques Maggio**Organizers:** Stefan Seewald, Giorgi Tvaradze, Stefan Groth10.05 - 10.25 a.m. **Proper endoscopic imaging and classification of early squamous cell cancer**
Philip WY Chiu10.25 - 10.40 a.m. **Case presentation & discussion**10.40 - 11.00 a.m. **Early Barrett's cancer - challenges in detection and delineation**
Jacques Bergman11.00 - 11.15 a.m. **Case presentation & discussion**11.15 - 11.40 a.m. **Definition of “stomach at risk” and diagnosis of early gastric cancer**
Hon Chi Yip11.40 - 11.55 a.m. **Case presentation & discussion**11.55 - 12.30 p.m. **Lunch Break**12.30 - 12.50 p.m. **How to perform a proper upper GI endoscopy?**
Live demonstration12.50 - 1.15 p.m. **Characterization of colonic early neoplasia by JNET and Kudo classification**
Yasushi Sano1.15 - 1.30 p.m. **Case presentation & discussion**1.30 - 2.00 p.m. **Post Test**

All times in the program are indicated in Central European Summer Time (CEST).

3.00 p.m. - 6.00 p.m. / Friday, June 27, 2025

EndoSwiss Satellite Symposium3.00 - 3.05 p.m. **Welcome****EndoSwiss Innovation FORUM****Chairs:**

Stefan Seewald, Michal Kaminski

3.05 - 3.25 p.m. **AI OLYSENSE - Redefining the Future of Everyday Endoscopy?**
Jacques Bergman3.25 - 3.45 p.m. **EUS Revolution by Aplio i800 - Advancing into a New Era**
Pietro Fusaroli3.45 - 4.05 p.m. **Magnetic Gastrointestinal Universal Septotome System (MAGUS) - Indications and Perspectives**
Arnaud Lemmers4.05 - 4.25 p.m. **Advanced Flexible Endoscopic Surgery (AFES) - Shaping the Future of Endoscopic Interventions**
Haruhiro Inoue4.25 - 4.40 p.m. **Coffee Break****Chairs:**

Philip Chiu, Torsten Beyna, Remus Frei

4.40 - 5.00 p.m. **Endoscopic intermuscular dissection (EID) - from patients selection to performance**
Barbara Bastiansen5.00 - 5.20 p.m. **Endohepatology - a new chapter in diagnostic and therapeutic endoscopy**
Kenneth Chang5.20 - 5.40 p.m. **New perspectives in endoscopic vacuum therapy in the rectum**
Christoph Schlag5.40 - 6.00 p.m. **Optimizing Defect Closure: The Role of SuturArt in Modern Endoscopy Practice**
Fatih Aslan6.00 p.m. **Final conclusions**Sponsored by **OLYMPUS**, Cook Medical, MICRO-TECH

Saturday, June 28, 2025 / 9.00 a.m. - 5.00 p.m.

New Horizons in Endoscopy

9.00 - 9.05 a.m. **Welcome**

Session I

Live demonstrations

10.00 - 11.00 a.m.

Hot Topic : Colonoscopy - what's new?

Moderation: Thomas Rösch

Endoscopic diagnosis

Colonoscopy: Latest evidence and Strategies for Improvement

Horst Neuhaus

Endoscopic resection

Deep dive

Michal Kaminski

11.00 - 11.30 a.m.

Coffee Break & Exhibition Viewing

Session II

Live demonstrations

11.30 - 1.00 p.m.

Next level cholangioscopy - advanced tools and tactics for success

Torsten Beyna

1.00 - 1.45 p.m.

Lunch Break & Exhibition Viewing

1.45 - 2.30 p.m.

Young Talent Award

Novel endoscopic evaluation for GERD: Phase Concept & EFSIS

Mayo Tanabe (Japan)

Little AI helpers for endoscopy

Philipp Sodmann (Germany)

9.00 a.m. - 5.00 p.m. / Saturday, June 28, 2025

Multimodal treatment of esophageal squamous cell carcinoma with endoscopic resection and radiochemotherapy

Robert Klimkowski (Poland)

AI and Barrett's early neoplasia detection

Jereon de Groof (The Netherlands)

Session III

Live demonstrations

2.30 - 3.30 p.m.

"EndoRobotics - the novel "all in one" technology?

European Premiere

3.30 - 3.45 p.m.

Coffee break & Exhibition Viewing

3.45 - 4.30 p.m.

Hot Topic : Endoscopic diagnosis & treatment of GERD

Moderation: Stefan Seewald

"Antireflux mucosal interventions"

Haruhiro Inoue

Transoral incisionless fundoplication (TIF)

Kenneth Chang

4.30 - 4.50 p.m.

Don Wilson Memorial Lecture

Extending the Horizon of Therapeutic Endoscopy beyond the lumen through Innovation

Philip WY Chiu

4.50 - 4.55 p.m.

Announcement of "EndoSwiss Young Talent Award" winner

4.55 - 5.00 p.m.

Certification

The certification has been applied for at the Swiss Society of Gastroenterology. Concept: The EndoSwiss 2025 will take place from 27 to 28 June 2025 as an in-person event; participation in a live-stream is an option. Several days before the congress starts, you will receive your personal access for the EndoSwiss Symposium. The access entitles you to access lectures and streamed cases on demand even after the symposium. CME points can only be acquired during participation on-site or in the live-stream of the event with your personal login.

Congress languages

English

Employer/Public sector employer's permit

In accordance with the FSA Codex, we might request an employer's permit from your employer for participation in this event. The congress EndoSwiss 2025 is supported by firms from the pharmaceutical/medical sector; however, the sponsors do not have any influence upon the design of the scientific programme. Company symposia are clearly marked.

Programme changes

Last minute programme changes might be necessary due to work, private and organisational reasons, and will be announced in the course of the programme. This will not result in a right to refund.

Liability

The organisers and hosts of the congress will not be liable for personal damage or loss of or damage to the property of congress participants, either during the event or as a result of it. Please check the validity of your own insurance. The participant accepts that the event organizer does not accept any liability, in the case that the event or individual parts thereof cannot be held for unforeseen political or economic reasons or is generally hindered or prevented through force majeure, or if lecturer cancellations or similar necessitate programme changes. The participant accepts these conditions by registering.

Time Zone

The times in the program are CEST (Central European Summer Time).
