

# POEM hand-on training course 2023

in conjunction with live demonstration at Showa University Koto Toyosu Hospital

Course director: Haruhiro Inoue, MD. PhD

Chair and Prof. Showa University Koto Toyosu Hospital, Tokyo, Japan

Organized by “Tokyo Live Endoscopy One”

Supported by Olympus and JGES

July 8, 9, 2023 at Tokyo

Day 1. July 8 (Sat): Live case demonstration at Showa Univ. Koto Toyosu Hospital

Day 2. July 9 (Sun): Hand-on training at M-TEC (Olympus) at Tokyo Hachioji

Official language: English

Number of participants: 30 persons at around 10 tables

All tutors have more than 100 clinical experiences of POEM.

The goal of this hands-on training course is to learn the indications and correct techniques of POEM procedure for esophageal achalasia and to contribute to the welfare of the patient. It is intended for endoscopists with experience in therapeutic endoscopy. On the first day, participants will see live demonstration of POEM in the hospital, followed by specific lectures and Q&A. On the second day, participants will travel to M-TEC (Olympus) in Hachioji Tokyo to learn practical procedures on wet lab. Upon successful completion of this two-day course, participants will receive a Certificate.
